CONTINUE SHOPPING | CHECKOUT

When purchasing online orders can be created for either delivery or collection or split on a single order.

If a larger order is delivered on intervals as required on a site it will show as partially dispatched under the order history.

An order is only shown as complete once the physical stock is either collected or delivered.

Once ordered a confirmation message is sent via SMS and email to the person on the profile to confirm the order.

Only once an order is completed will a tax invoice be generated and emailed to the customer.

Once articles have been added to your trolley, you can generate a quote that will be emailed to the profile holder by clicking on the Email button on the checkout page.

The quote will contain only the address and profile information, the correct VAT details will be displayed on the tax invoice once the order is complete.

Builders Online Platform

The goal of the Builders.co.za platform is to:

- Make the ordering process quick and easy
- Provide transparency of orders and accounts
- Save the customer time by utilising the click and collect counter in stores
- Provide a full service offering by combining the Builders.co.za online platform with our sales representatives and the Builders contact centre
