

# PATS & ERS Paediatric Webinar

PATS & ERS invite you to the Joint Paediatric Webinar

## Non-CF Bronchiectasis: Diagnostic approach and Management

**Tuesday, 19 January 2021**

6:00 PM  
WAT

7:00 PM  
CAT

8:00 PM  
EAT

**Chaired by:** Prof Refiloe Masekela; Prof Marielle Pijnenburg

**Speakers:** Prof Marijke Proesmans (Belgium); Dr Diane Gray (SA)

The first in a series of joint webinars between PATS and the European Respiratory Society (ERS) will focus on the global differences in the prevalence of NCFB and underlying diagnosis for children affected by the disease. The webinar will also provide evidence for different treatment strategies and will consist of interactive presentations followed by a Q&A session.
