

Comments from medical professionals that recently attended the UCT/MiM Medical Negligence & Health Sector mediation training course hosted in person at Nelson Wine Estate

Dr Alexandra Torborg - Anaesthesiologist

This has been a fantastic course. I have learnt many skills which I will be able to take back and use in all aspects of my life. I highly recommend this course.

Dr Clover-Ann Lee - Anaesthesiologist

An eye-opening and thought-provoking week. This will impact my daily practice. Thank you!

Dr Fourie de Kock - Anaesthesiologist

This course has provided essential training in invaluable skills.

Dr Michael Blackburn - Anaesthesiologist

Fantastic course, well prepared, challenging in many ways. Facilitators are top notch; facilities are excellent, and the course is relevant.

Dr Shafeeqa Mayer - Anaesthesiologist

The course is phenomenal and useful, not only for mediation, but for daily conflict resolution as well. Everyone should do it.

Dr Hennie Palm - Clinical Psychologist / Functional Health Practitioner

Refreshingly different, practical, and well presented by knowledgeable presenters. Excellent value for money and life changing.

Dr Janine Wagner - Anaesthesiologist

The course was exceptionally well-organised, well-run, and it was evident that many hours were spent by the organisers to organise content and find suitable and appropriate cases for the scenarios. The course itself was challenging but the attendees were given immense support and encouragement. It was a thoroughly worthwhile experience

Dr Gwen Morgan - Anaesthesiologist

My entire paradigm of conflict resolution and in particular the role of medico-legal litigation has been challenged and changed. The availability of an alternative to litigation which holds equally dear benefit to all parties is both exciting and comforting. Thank you for the opportunity to be a part of this life-changing experience.
