as applicable to health professionals

Event Info

 Wednesday, 9 June 2021  19h00-20h00

Ethics CPD accreditation applied for

Topics:

Steps to comply with POPIA as a Health Professional

EthiQal Medicolegal team discusses POPIA pitfalls observed when interacting with health Practitioners

Presenters:

Esmé Prins

BLC (Cum Laude) LLB (Cum Laude)
LLM (Cum Laude)

Esmé is a qualified attorney, specialising in health law (including the Protection of Personal Information Act and the Consumer Protection Act), corporate governance, health policy and health industry matters. She completed her master's degree in constitutional law and human rights during which she critically reviewed the constitutionality of the regulation of medical practice in South Africa. She worked for the South African Medical Association (SAMA) where she amongst others headed up the Health Policy and Private Practice Units. She has been offering health care consulting and training services through her own consulting business, Healthcare Navigator, since 2002 to the health care industry at large in South Africa and abroad. She is a fellow of the Institute of Directors of South Africa.

JP Ellis

EthiQal Legal & Claims Manager

JP is an admitted attorney with B. Comm and LLB degrees and specializes in professional indemnity insurance, with an emphasis in medical malpractice work. He is a trained mediator and is a member of the South African medicolegal coalition task team.

Dr Hlombe Makuluma

EthiQal Clinical Risk Management

Hlombe is a qualified general medical practitioner with a master's in medical law and Ethics from the University of Pretoria. He has more than 20 years' experience in the health industry from operating his own private practice and working for various corporates to health consulting.
