**2. Premium Penalties for Persons Joining Late in Life**

2.1 At the discretion of the Board, premium penalties may be applied to a late joiner.

2.2 Such penalties shall be applied only to that portion of the contribution relative to the late joiner and shall not apply to the Personal Medical Savings Account (PMSA) contribution.

2.3 A late joiner penalty shall not exceed the following bands:

| Penalty Bands | Maximum Penalty     |
|---------------|---------------------|
| 1 - 4 years   | 0.05 x contribution |
| 5 - 14 years  | 0.25 x contribution |
| 15 - 24 years | 0.50 x contribution |
| 25+ years     | 0.75 x contribution |

2.4 The following formula shall be applied to determine the applicable penalty band:

- A = B minus (35 + C) where:
- A = number of years to determine appropriate penalty band
- B = age to late joiner at the time of application
- C = number of years of credible coverage which can be demonstrated

2.5 Should a late joiner penalty already have been imposed and evidence of credible coverage is produced thereafter, the penalty shall be recalculated and such revised penalty shall be applied from the time that such evidence was provided.

2.6 If an applicant is unable to obtain documentary proof to substantiate periods of creditable coverage, he/she shall be entitled to produce a sworn affidavit declaring that reasonable effort to obtain documentary evidence of such periods of credible coverage was unsuccessful.
