MEMBERSHIP

WCMA is a restricted Scheme providing medical aid cover to participating employers. Application forms are available from HR/time offices.

WHO IS ELIGIBLE FOR MEMBERSHIP?

Subject to approval by the Board of Trustees, members may apply to register the following as their dependants:

- the spouse or partner of a member who is not a member or registered dependant of another medical scheme irrespective of the gender of either party,
- a child, stepchild or legally adopted child of a member under the age of 21 or a child who has attained the age of 21 years but not yet 26, who is a student at an institution recognised by the Board of Trustees. Should a member elect to cancel the registration of a child between the ages of 21 and 25 years as a dependant of the fund, such child will not be eligible for re-registration as a dependant on the fund at a later date,
- a dependent child who due to a mental or physical disability, remains dependant upon the member after the age of 21.

REGISTRATION AND DE-REGISTRATION OF DEPENDANTS

A member may apply for the registration of his or her dependants at the time that he/she applies for membership or as follows:

- A member must register a newborn or newly adopted child within 30 days of the date of birth or adoption of the child, and increased contributions shall then be due as from the first day of the month following the month of birth or adoption and benefits will accrue as from the date of birth or adoption,

- A member who marries subsequent to joining the Scheme must within 30 days of such marriage register his or her spouse as a dependant. Increased contributions shall then be due as from the date of marriage and benefits will accrue as from the date of marriage.
- Students that are accepted as child dependants shall be recognised as such for periods of not more than twelve (12) months at a time.
- When a dependant ceases to be eligible to be a dependant, he shall no longer be deemed to be registered as such for the purposes of the Scheme Rules or entitled to receive any benefits, regardless of whether notice has been given.
- Members shall complete and submit the application forms required by the Scheme together with satisfactory evidence to the employer who in turn will submit same to the Scheme.
- The Scheme may require an applicant to provide the Scheme with a medical report in respect of any proposed beneficiary in respect of a condition for which medical advice, diagnosis, care or treatment was recommended or received within the twelve-month period ending on the date on which an application for membership was made.
- No person may be a member of more than one medical scheme or a dependant of more than one member of a particular scheme. The membership will terminate if he or she becomes a member or a dependant of a member of another medical scheme.
- Maximum benefits are allocated in proportion (pro-rata) to the period of membership calculated from date of admission to the end of the financial year.

MEMBERSHIP CARDS

Every member shall be furnished with a membership card containing membership number, date of joining, identity number/s and names of all registered dependants.

A member must inform the Scheme within 30 days of the occurrence of any event which results in any one of his or her dependants no longer satisfying the conditions in terms of which he may be a dependant e.g. divorce or child dependant full time employed or married (this is not the complete list). The Scheme does not provide cover for divorced spouses even if the divorce settlement decrees that the member is liable for cover.

PREVENTATIVE CARE AND WELLNESS PROGRAMME

WCMAS offers a preventative care and wellness programme for early detection of health risks. Benefits are reflected under the Additional Wellness benefits column. Your wellness benefit includes active nurse based disease management programmes.

CONTRIBUTIONS

Contributions are calculated on an employee's monthly basic rate of pay. It is collected monthly and paid by the employer by no later than the 3rd day of each month.

A WCMAS member's monthly contribution is based on his or her monthly income, pension (including income from investments, fixed deposits and retirement annuities); due on the day of the month or agreed pension payment run dates. Survival Certificates: It is compulsory for all WCMAS CAWM members to complete and return to the Scheme an annual survivor certificate before 31 July every year.

Members remain liable at all times for payment of contributions to the Scheme, irrespective of whether he/she receives financial assistance from the employer towards a subsidy.

LATE PAYMENTS

Where contributions or any other debt owing to the Scheme are not paid on the due date, the Scheme shall have the right to suspend all benefit until payments up to date..

WAITING PERIODS AND LATE JOINER PENALTIES

The Scheme may impose upon a person in respect of whom an application is made for membership or admission as a dependant, and **who was not a beneficiary of a medical scheme for a period of at least 90 days preceding the date of application** a general waiting period of up to 3 months and a condition-specific exclusion of up to 12 months.

Condition specific exclusions can also be applied to members who were members of a previous scheme for less than 2 years and general waiting periods to members who were on a previous medical scheme for more than 2 years.

The law also provides that a late joiner penalty may be imposed on a member or his/her adult dependant in certain circumstances when the applicant joins the scheme for the first time from the age of 35 years.

The late joiner penalty will depend on the number of uncovered years and is calculated as a percentage of the monthly contribution applicable to the late joiner.

EXAMPLE:

Member applied to join the Scheme on the 1st June 2011.

- He had previous medical cover 1971 – 1981 and again 1981 – 1990.
- Total monthly contribution = R2 500 of which R2 000 is risk and R500 is MSA.
- Member's age = 65 years old. Creditable coverage is 19 years (number of years covered by medical aid as an adult).

65 years – (35 + 19) = 11 years not covered. Therefore, penalty band 5-14 years applies which = 25%. Member premium = Risk+MSA+Penalty. R2 500 + (25% x R2 000) = R3 000 contribution payable.

Penalty Bands	Maximum penalty
1 - 4 years	0.05 x contribution excluding MSA
5 - 14 years	0.25 x contribution excluding MSA
15 - 24 years	0.50 x contribution excluding MSA
25+ years	0.75 x contribution excluding MSA

DESIGNATED SERVICE PROVIDER (DSP) AND MANAGED CARE PROGRAMMES

Members are required to obtain medical services from the Universal Network of Service Providers. Please contact Universal on **0803 628 677** to obtain details of the DSP Network.

The Scheme also has Universal Hospital Case Management, HIV, pre-authorisation and Chronic Disease Management and Oncology Managed Care Programmes in place.

CO-PAYMENTS AND OTHER CHARGES TO MEMBERS.

MEDICAL SERVICES IN EXCESS OF MEDICAL SCHEME RATES (NON-PMB)

Members must please note that more and more providers of medical services charge fees in excess of the Medical Scheme Rates. WCMAS only pays fees up to the Scheme Rates. Where the Scheme has paid the Scheme Rates directly to a supplier who has charged in excess of the Scheme Rates, the excess amount must be paid directly to such supplier by the member. The amount to be paid will appear **in bold** in the “**member to pay provider**” column on members' monthly remittance advices. It remains the responsibility of members who need to have operations to enquire beforehand from the relevant doctors whether they charge in excess of the Scheme Rates or not. If in excess, members need also to arrange settlement of the account directly with the suppliers of medical services.

Members are reminded that should a doctor or specialist use any disposable products during a procedure, the member will be liable for the cost. Disposable items are regarded as an exclusion from benefits. The Scheme will only consider conventional methods for procedures.

Should services for a PMB not be available at a DSP, arrangements will be made at another setting. The Scheme views fraud in a very serious light and would like to encourage members who have some concerns regarding fraud, whether committed by a member or a supplier of services, to contact the Manager of the Scheme, or the Board of Trustees, or the Disputes Committee or the Audit Committee.
