

CALL FOR PAPERS

**SUBJECT MATTER
EXPERT?**

We're looking for you to share your
knowledge and expertise at **SAFMA's**
IN-PERSON Conference, 8-9 May

20 23

Join us as we talk about
**Efficiency, Innovation
and Resilience.**

LET YOUR VOICE BE HEARD

We invite you to be a part of our dynamic community and share your valuable insights and expertise on optimizing facilities management processes, embracing innovative solutions, and fortifying resilience in the face of challenges. Your contribution will enable our members to stay at the forefront of the industry and stay up-to-date with the latest trends and advancements in FM.

ABSTRACT

THIS YEAR, WE WILL EXPLORE:

- » Energy efficiency and renewable energy solutions
- » Leveraging technology for facilities management efficiency
- » Creating a culture of innovation in facilities management
- » Building resilient infrastructure through smart planning
- » Maximizing energy efficiency in building operations
- » Innovative approaches to sustainability
- » Sustainability and circular economy
- » Employee well-being and productivity
- » The role of data analytics in facilities management decision-making
- » Facilitating collaboration and knowledge sharing for increased efficiency
- » The impact of IoT and AI on facilities management practices
- » The future of workplace design and how it affects efficiency
- » The importance of staff training and development for increased resilience
- » Evaluating and implementing green technologies for facilities management
- » Integrating sustainability into facilities management strategy
- » Navigating the challenges of remote facilities management and remote work

Abstracts and panel proposals not directly linked to the theme of the conference will however also be considered.

ABSTRACT SUBMISSION

- » Please submit your abstracts or panel proposals **by March 15, 2023**
- » Submit abstracts or panel proposals (**max 300 words**) to **marianne@safma.co.za**
- » Selected presenters and panels will be notified by 30 March 2023

DATE

The SAFMA Conference will be held on **8 - 9 May 2023**

VENUE

FINANCIAL SUPPORT

We would be thrilled to have you join us as a presenter or panelist **on the day of the conference!**
Although **we are unable to provide financial support of any kind, we greatly value your contribution** and can't wait for you to share your expertise with our audience.

ENQUIRIES

Interested or have questions? Get in touch with our General Manager, Marianne Botes, at **marianne@safma.co.za**. She'll be happy to assist and support you in any way she can!

ORGANISERS

SAFMA, the South African Facilities Management Association, is a self-sustaining body that plays a vital role in the South African FM community. Recognised both locally and internationally, SAFMA defines Facilities Management as an enabler of sustainable enterprise performance through the whole-life management of productive workplaces and effective business support services.

SAFMA strives to continuously facilitate, promote, and support the development and enhancement of skills development for Facilities Managers.

Take the stage

We're excited to provide you with a unique opportunity to share your expertise and insights with our members. If you're interested in taking advantage of this chance to be a speaker, please don't hesitate to get in touch.
